

Big Bobo vs The Bonfire

One stormy night in a dark dark forest, the rain was like fire breathing lightning controlled by a black blooded dragon who lived in a dark cloud. Big Bobo the bear was just walking lonely in the mucky horrifying forest.

Then suddenly Roblox Men walked up to Big Bobo. Big Bobo ran away because Roblox Men smelled like rotten eggs. Roblox Men had a head that was shaped like a snail.

Big Bobo ran into the middle of the forest then suddenly he heard a horrifying ding sound like two hundred million lions roaring 800 miles away.

Then suddenly 200 million people were cheering loud as a bomb stinking out 100 hours off the limit.

A strange man called John Buffalo walked up to Big Bobo and the man yelled Run there's a big horrifying FIRE!!!! he said. Then he ran for his life. He was running like he has never ran before.
