

The Princess and the Frog

Once in an ancient Kingdom in a faraway land lived a magnificent charming queen and a mighty powerful King and 1 princess and 1 frog.

The princess was charming and fashionable and the princess was brave, good looking and wise. The frog was brave, green, handsome, bite size and grand.

One day Penelope and her friends were picking red roses and they spotted a green frog and suddenly "arrrrah, arrrrrah."

"Stop" gasped the frog, "I won't hurt you "

"You can talk?"

"Yes oh yes"

"Who are you?"

"Prince Stefan."
