

Last night I went to Smiggle and I got a folder with two books. I also got some colouring pencils like Myles. Also I got a watch and slappy ruler. My watch is white and my folder, slappy ruler and my book were all blue. My best shop I go to is Smiggle. Next weekend and maybe this weekend if I listen and do well I can go to Smiggle and get something. My Mum calls me a smiggle freak, when I go to smiggle. When I go to smiggle my Dad will take me too.
