

I went outside and then I saw  
Zombies approach. Then I  
realised I was a zombie. I met up  
with Scooby Doo and Shaggy and  
they were screaming. I said "Why  
are you screaming?" "Because of  
the zombies", said Shaggy. I saw  
the zombies up in the sky and I  
saw dragons. I chucked a net and  
I caught a dragon. I tamed it.

It carried me and dropped me in  
the ocean. It took me 2000 years  
to swim across. I had to fight  
Tyrannosaurus Rex.
