

On Saturday we caught seven fish. I caught bright orange snapper and Dad caught 4 bright orange snapper. Amazing!! It was a long trip until we got to go fishing. I had to be good if I wanted to go on the amazing trip. We went to Coromandel by the muscle farm. It was an hour's boat trip till we got to go fishing. I caught the first, third and fifth fish. I had a great time fishing at Coromandel on the boat. I had to be good if I wanted to go on my first boat trip ever. Dad said, it will be a 4 hour trip, but it was a 5 hour trip. We finally got home and filleted the fish. That night I went to bed because we woke up at 4 am.
