

# If I Found a Dinosaur Egg...

I ran to the dinosaur to keep my egg warm. The dinosaur sat on it for weeks. I made clothes for it. It liked the clothes. It was green. The big dinosaur was happy. We played dinosaur games. I kept it as a pet. His name is "Good Listener" cos it listens to me. I gave it dog milk, bones and meat. It was fun watching it grow. I was nice to it. It was my friend. It wanted to stay by me forever and I gave it heaps of food to eat. It was really fun. I mean it you know, I'm not lying!
